Best of luck to all the Galway participants in this weekend's Connacht Primary Schools Cross Country.

The following are the directions to the venue - Hazelwood Community Park Sligo (sometimes referred to as Calry): Coming into Sligo on the dual carriageway, stay on the main road until you cross the bridge, pass through traffic lights and take the right turn at the next traffic lights (sign-posted Enniskillen), straight through small roundabout until you come to traffic lights (you pass by Sligo IT on the left). Straight through traffic lights and continue on for about 2 miles and a Toyota garage on your left, 100mts on the right is the football pitch. You've arrived! Parking is available at the Toyota Garage for buses and cars. It is just a 100m walk to the venue. Registration is in the clubhouse beside the pitch. The cross country is in the field at the rear of the pitch so athletes need to make their way to the start of the races in good time.
